

are presenting a

FREE SBIR WORKSHOP

Wednesday, February 4, 2009
9:00 a.m. – 11:00 a.m.
(Register at 8:45 a.m.)
LEDA Conference Room
211 East Devalcourt Street
Lafayette, LA 70506

Can your high-tech research or product fill a particular need for a federal agency? If so, the Small Business Innovation Research (SBIR) and Small Business Technology Transfer (STTR) programs are options for technical pioneers to obtain federal backing. The programs encourage innovation and boost cooperation in meeting federal research and development needs.

This free 2-hour workshop will give attendees insight into the SBIR and STTR programs so that those interested can begin to effectively compete for project funding. Also covered will be intellectual property disclosure and processes. Presenters will be Roy Keller with the LSU LA Technology Transfer Office and Jan Thomas with LSU Middleton Libraries.

We can only guarantee reserved seats for this event. Please register with the UL-Lafayette LA Small Business Development Center in any of the ways listed below.

Register via any of the following:
