Use of manuscript materials. If you wish to examine items in the record group, please fill out a call slip specifying the materials you wish to see. Consult the Container List for location information needed on the call slip.

Photocopying. Should you wish to request photocopies, please consult a staff member. Do not remove items to be photocopied. The existing order and arrangement of unbound materials must be maintained. Reproductions must be made from surrogates (microfilm, digital scan, photocopy of original held by LSU Libraries), when available.

Publication. Readers assume full responsibility for compliance with laws regarding copyright, literary property rights, and libel.

Permission to examine archival materials does not constitute permission to publish. Any publication of such materials beyond the limits of fair use requires specific prior written permission. Requests for permission to publish should be addressed in writing to the Head, Public Services, Special Collections, LSU Libraries, Baton Rouge, LA, 70803-3300. When permission to publish is granted, two copies of the publication will be requested for the LLMVC.

Proper acknowledgement of University Archives materials must be made in any resulting writing or publications. The correct form of citation for this manuscript group is given on the summary page. Copies of scholarly publications based on research in the University Archives are welcomed.
SUMMARY

Size 26.5 linear feet.

Geographic Locations Louisiana.

Languages English.

Summary Planning documents, correspondence, memoranda, brochures, notes, newspaper articles, maps, system reports, photographs, and printed items created by the LSU System Office pertaining to issues of planning and construction of buildings, memberships in organizations, and departments of all LSU campus sites.

Access Restrictions None.

Copyright Physical rights are retained by the LSU Libraries.

Related Collections Office of the Chancellor Records, System Office of Academic Affairs Records, LSU Board of Supervisors Records.

Citation Louisiana State University System Records, RG #A0002, Louisiana State University Archives, LSU Libraries, Baton Rouge, La.

Stack Location(s) Range 126, Range 82, Range 146, Map Cage Case 10
HISTORICAL NOTE

Established in 1962, the Louisiana State University System oversees academic campuses, health care education centers, and agriculture research stations. These presently include campuses in Baton Rouge, Shreveport, Eunice, Alexandria, LSU AgCenter, the Pennington Biomedical Research Center, and the medical centers and schools in New Orleans and Shreveport. The University of New Orleans, to which many of the records pertain, was founded as an LSU campus in 1958 and transferred to the University of Louisiana System in 2011. The Paul M. Hebert Law Center became a separate campus in 1977, but was realigned as an academic unit of the Baton Rouge campus in 2015.

SCOPE AND CONTENT NOTE

This record group consists of topical files, photographs, building records, correspondence, and reports created by LSU System Office. These pertain to issues of planning and construction of buildings such as the Pete Maravich Assembly Center, Center for Engineering and Business Administration (now Patrick Taylor Hall) the Libraries, Life Sciences Building, the LSU Union and other buildings, and the establishment of LSU-New Orleans (now the University of New Orleans) and LSU-Shreveport. Also included are records pertaining to the establishment of the LSU Foundation, the Faculty Senate, Louisiana Coordinating Council for Higher Education and its successor agency the Louisiana Board of Regents, the Louisiana Constitutional Convention of 1973, the LSU Alumni Association, athletics, business affairs, institutional research, agricultural research, the medical centers in New Orleans and Shreveport, the Pennington Biomedical Research Center, and System President Allen Copping’s correspondence with Governor Edwin Edwards, various state legislators regarding budget cuts, and the funding and development of various programs and construction projects throughout the system.

LIST OF SERIES

Series I: Topical Files, 1916-1979 (Boxes 1-17)

Series II: Photographs, 1954-1969 (Boxes 18-19)

Series III: Building Records, 1939-1963 (Box 20 and Map Cage Case 10)

Series IV. Correspondence, 1985-1998 (Boxes 21-24)

Series V. Reports, 1964-2005 (Boxes 25-26)
SERIES DESCRIPTIONS

Series I: Topical Files, 1916-1979 (Boxes 1-17)

This series consists of topical files arranged alphabetically by their subject and/or content. Boxes 1-4 consist of files relating to various academic and administrative units within the University such as the LSU Alumni Association, LSU Board of Supervisors, and the Division of Continuing Education, as well as the Louisiana Board of Regents. Boxes 4 through 8 contain contracts and property records from campus departments, listed alphabetically. Boxes 9-12 pertain to institutional research and instruction, the Louisiana Coordinating Council for Higher Education, the Louisiana Constitutional Convention of 1972-1973, the LSU Baton Rouge and UNO faculty councils, and records from the medical centers at New Orleans and Shreveport. Boxes 13 to 15 contain records pertaining to memberships in organizations such as the American Association of University Women, the National Association of State Universities and Land-Grant Colleges, Southern Association of Colleges and Schools, and the National Collegiate Athletic Association. Also included are correspondence, policy statements, and records pertaining to campus development. Boxes 16 and 17 consist of records from the Regional Education committee and various entities such as the Southeastern Conference and the Louisiana Division of Administration pertaining to issues of compliance and the University budget; the federal Economic Opportunity Act; and the Young Socialists Alliance.

Series II: Photographs, 1954-1969 (Boxes 18-19)

This series contains photographs of the campuses of LSU New Orleans, the LSU Medical Centers in New Orleans and Shreveport, LSU Baton Rouge, and Tulane University.

Series III: Building Records, 1939-1963 (Box 20 and Map Cage Case 10)

This series consists of building plans and contracts and property plans including surveys of the Red River Experiment Station and Grand Isle Marine Laboratory, topographical maps of the University of New Orleans, maps of the Baton Rouge campus, functional diagrams of Middleton Library, a proposed parking garage for the Faculty Club, and a survey map of Chatsworth Plantation.

Series IV. Correspondence, 1985-1998 (Boxes 21-24)

This series contains the correspondence of LSU System President Allen Copping. Highlights include correspondence regarding the funding, development, and construction of the Pennington Biomedical Research Center in Baton Rouge, letters to and from Gov. Edwin Edwards and members of the state legislature regarding state budget cuts, financial reports, legal issues, the Louisiana State Health Care Commission, the LSU Medical School in New Orleans, and the Louisiana Endowment Trust Fund.
Series V. Reports, 1964-2005 (Boxes 25-26)

This series contains reports and building surveys. Of note are reports regarding LSU campus development and the Pennington Biomedical Research Center, a report from a survey of public health care issues, a report on nutrition of military personnel and their dependents, and LSU’s role in the Lower Mississippi Delta Initiatives Act.

INDEX TERMS

Materials relating to these people, places, and things can be found in the series indicated, as represented by their numbers.
