Biographical/Historical Note

The Calcasieu League for Environmental Action Now, or CLEAN, is a grass-roots organization devoted to the future of clean air and water in Calcasieu Parish and the state of Louisiana, as well as continuing to educate other organizations about the environment.

Scope and Content Note

Records primarily consist of subject files. These are arranged alphabetically and include correspondence, notes, printed items, agenda, clipping, and reports pertaining to various petrochemical plants, Calcasieu Parish, officials, environmental groups, the effect of the environment on health, legislation, regulation, or government agencies. Additionally, the organization's general correspondence, minutes, and agendas are present, as well as newspaper clippings and newsletters they received. Results of environmental testing are also included.
